Matters arising from the previous minutes:

Foster Road has been turned back to its 3L weight restriction after works were completed at Echo Point; however, some buses are still using it despite the restriction. Fantastic Aussie Tours, expressing concern over this matter, have suggested the buses will use Raymond Road in future.

### **Flower Pots & Working Bee**

Re-potted outside the middle Newsagency 3 to 4 times already. Seems to be targeted regularly. Pots are looking a little weary – working-bee needed.

Suggested date **Sunday 20th Feb** from 8.30am to 11.30am. If you can help – let us know. Date to be confirmed at next meeting.

### **Bendigo Bank Update**

ATM at BM Hospital is being considered. It's a 50/50 shared affair with Bendigo & Adelaide Bank Ltd. It will not generate profits but will provide exposure/ advertising for our Branch and convenience for locals and staff alike. Will be approx 6 months away.

Our Branch has recently sponsored Sport for Jove (Shakespeare Festival in Everglade Gardens), Katoomba High School Youth Leadership Forum attendees, North Katoomba Primary School Breakfast program.

Update on ATM at Wentworth Falls – this has been ongoing for quite some time now as we have been trying to resolve the landlord and tenant's concerns. A few weeks away from signing a lease now, we hope.

## General Business

### Pharmacy Services in Katoomba

By invitation Karim from Greenwell & Thomas Pharmacy and Alan Byrne Chemist addressed the meeting on the issue of chemist licences and medical services in the area. For pharmacy licences there is a regulated quota for numbers of outlets over the distribution of population. The Katoomba Street Medical Centre has been set up to offer a service in response to the corporate owned & operated BM Medical Centre in Bathurst Road, where it is felt, they charge excessive rents, cannot offer reasonable parking, and therefore no pharmacy has taken up residence.

Discussion around this situation ensued. Karim suggested the physical presence of a pharmacy is irrelevant as both Greenwell & Thomas and Alan Byrnes offer free delivery of medications to anyone within a 40kms radius. You can simply ring up to order it, or ask the receptionist at the practice you use, to fax it through to the Chemist and they will deliver it. Thank you to Karim for attending the KCCC meeting and initiating discussions around this issue.

### Pavers in Katoomba Street

There are loose brick pavers in Katoomba Street outside the old Post Office and the Paragon. Cllr Mays put a motion to Council that there be no more bitumen laid on the footpaths – it looks terrible. We must insist they must be replaced with paving bricks.

### Festival of Walking

NPWS, BM Tourism and KCCC are interested in holding a Festival of Walks, like they do in England on the Isle of Wight. This should be free of charge, as the only cost to the festival organisers will be advertising/promotion and provision of maps. Date proposed October 2011. Anyone interested in contributing to this wonderful project please contact [secretary@katoombachamber.com](mailto:secretary@katoombachamber.com)

### Graffiti

The last 3 weekends the graffiti team have been out and about cleaning up Katoomba & Leura. Froma Lane is looking bad again. Cleaned the laneway on Karim's premises. Graffiti program is working very well.

**If you see any graffiti around town please alert Tom Colless 0418 274 751 or [tom@colless.com.au](mailto:tom@colless.com.au) the more 'eyes' the better!**

Echo Point Visitor Amenities

Echo Point toilets are disgusting and there are no rubbish bins, leaves a very bad impression. This was observed during the Christmas holidays. Council cleaning needs to be monitored.
